In the Examiner's last Office action, it had been stated that Applicant had overcome the rejections under 35 U.S.C 112, 2<sup>nd</sup> paragraph by stipulating that triorganosilyl groups are not present at the end of the grafted chains. This remark was made in error however because the claims clearly require that at least some of the grafted chains have bonded at their ends the specified organosilyl group. By clarifying the position of the organosilyl groups, Applicant had succeeded in overcoming the aforementioned rejection.

Claims 1-6, 8-16, and 18-20 remain allowable for the reasons made of record previously.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
